Greg Baring Gotot

gregbaringgotot@gmail.com | 09951249025 | Mactan Lapu-Lapu City, Cebu City

A creative web developer with strong skills in UI/UX design, graphic design, and video editing. Focused on creating clean, user-centered digital experiences that balance functionality and visual clarity.

Education

Southwestern University PHINMA
Bachelor of Science in Information Technology (BSIT), July 2023 - Present

Mactan National High School
Computer Systems Servicing (TVL), June 2021 - July 2023

Skills

JavaScript, React, Node.js, Python, Java, HTML, CSS, Git, SQL, Firebase, Tailwind, React Native

Projects

Upcycled Streetwear
Designed and developed a mobile and web-based e-commerce platform for an online thrift shop, featuring automated order claiming, inventory management, sales analytics, and a bidding system to improve efficiency and customer engagement.

Young Soul Seekers
Developed a web-based platform for a faith-based clothing brand to showcase products, manage customer orders, and support online marketing efforts. The system allows users to browse items and submit orders while enabling the admin to efficiently track and manage transactions without integrated online payments.

Certificates

RCNA Certification
Routing & Swicthing, October 2025

Premuim Line Certificate
Fiber Optic Training, August 2025
